Also in attendance: Archie Meyers and Anita Whitesell/Brd. Golf Chairmen, Janice Masotti/Pro Shop Mngr., Barb Dowling /Business Mngr., Susan Sohni /Board President and Bill Collins.

Minutes of October 20, 2009 were read. Coupon pricing of 9 Holes should be changed to \$10 from \$13 for month of November. Motion made to change and approve minutes by Pat Landy; seconded by Norm Leslie. Minutes changed and approved.

Anita reported on the Board's meeting regarding Golf Membership pricing. \$800. will not possibly work! A decision was made to retain the Membership pricing set earlier by the Golf Committee (\$1550./\$2900. plus tax). Discussion by Golf Committee followed. Marv mentioned committee members who had decided to resign(Sam Tvaroha, George Miller). He himself does not desire to continue heading or be part of a committee whose decisions are not recognized by the Board of Directors. Jane Barton spoke of the Committee as a cross section of the community with varying interests and abilities. All who had a great interest and concern for our Golf Course and Community as a whole. She could not imagine a Board made up of mostly non-golfers overriding the decisions that were made with much deliberation over wellbeing of the course, it's membership and it's future. Norm Leslie expressed his concern for the future of the course considering pricing by the Board.

Archie questioned the pricing of driving range buckets. Discussion followed on the Oct 13 proposal of \$300 for outside range membership. This was tabled to a later meeting to allow time for consideration.

Bill Collins suggested lowering the membership fees and having each member bring in a new member.

Competitive pricing as well as weather will effect our income./budget. Our pricing must be competitive to hold current membership and bring in any players from the outside. Pat Landy urges the board to revisit their decision on the Membership pricing.

Pat made a motion to adjourn the meeting and Norm Leslie seconded the motion. The meeting was adjourned at 4:20 p.m..

Respectfully Submitted,

Marv Henrich
Committee Chairman
